Hauntings of the Hudson River Valley: An Investigative Journey
By Vincent T. Dacquino

CHARLESTON, SC: Do spirits still stalk the Hudson River Valley? In *Hauntings of the Hudson River Valley*, Vin Dacquino works determinedly to discover the true story behind three enigmatic folk legends: Sybil Ludington, Chief Daniel Nimham and George Denny. Each was the central figure in a dramatic series of events; each became enshrined in local lore for their actions; each has had their true story obscured; and each may have left behind a spiritual residue. Follow Dacquino as he interviews local experts, explores areas where hauntings may have occurred—such as Carmel’s legendary Smalley’s Inn—and digs deep into historical archives to open new windows into the lives and possible afterlives of these three mysterious characters. The truth is out there, hidden in remote, tucked-away corners of the valley...are you ready to uncover it?
